## CTT+ Classroom Trainer

**Friesen, Kaye and Associates**  
The Experts in Knowledge Transfer  
and Workplace Performance

CompTIA CTT+ (Certified Technical Trainer) Classroom Trainer certification gives you the edge you need in today's highly competitive workplace learning environment. This vendor-neutral certification validates your expertise as a classroom instructor. FKA's CTT+ Classroom Trainer program along with the online exam simulator will prepare you to pass CompTIA's CTT+ written knowledge and performance exams. Working with FKA's highly skilled and CTT+ certified instructors, you will build the skills and techniques you need to be an outstanding instructor.

The program is specifically designed for individuals with more than two years classroom experience, or formal training in facilitating interactive learning programs.

### Who Should Attend?

- Experienced classroom instructors who have completed FKA's Instructional Techniques and/or Advanced Facilitation Skills for Instructors Programs.
- Instructors with extensive hands-on experience in learner-centered instruction and familiarity with the core fundamentals for excellent instruction.

### 10 Reasons to Choose FKA for CompTIA CTT+ Certification Prep

1. FKA is a CompTIA CTT+ Authorized Partner.
2. FKA was first to market and is still the leader in training more CTT+ candidates than any other vendor.
3. FKA's learners have a 95% success rate in achieving CompTIA's CTT+ Classroom Trainer and CTT+ Virtual Classroom Trainer certification.
4. Learn from CompTIA CTT+ certified classroom and virtual instructors trained in CompTIA's performance-based exam scoring process.
5. FKA guarantees you'll pass the performance-based exam.
6. Get a free 30-day subscription to FKA's award winning CTT+ Essentials Exam Simulator.
7. The maximum enrollment of 8 participants allows more one-on-one time with your FKA instructor.
8. Get help with the documents and process for submitting your performance recording.
9. FKA is a cornerstone committee member of CTT+ and CompTIA Steering Council member.
10. FKA has been an expert in workplace instruction and certifying instructors for over 50 years.

*"I wanted to reach out and thank you for all your help with the CTT certification. I have successfully passed both sections of the certification process and I believe that your class played a critical part in helping me to achieve success. Once again thank you for your hard work and dedication." J. Perry, Thermo Fisher Scientific*
