CTT+ Virtual Classroom Trainer

CompTIA CTT+ Virtual Classroom Trainer certification gives you the competitive advantage in today's online learning environment. This vendor-neutral certification validates your expertise as an online instructor.

You are an experienced classroom or online instructor who wants this certification, but you are not sure how to prepare. Take FKA's online CTT+ Virtual Classroom Trainer program and practice with FKA's Exam Simulator. Working with FKA's highly skilled and CTT+ certified instructors will build the skills and techniques required to pass CompTIA's CTT+ written knowledge and performance exams. We recommend you take FKA's Instructional Techniques for Virtual classroom before enrolling in this program.

Who Should Attend?

- Experienced *classroom* instructors who have completed FKA's Instructional Techniques and/or Advanced Facilitation Skills for Trainers workshops
- Experienced *online* instructors who have completed FKA's Instructional Techniques for the Virtual Classroom or Presenting Over the Web programs.
- Instructors with *extensive* hands-on experience in learner-centered instruction and familiarity with the core fundamentals for excellent instruction.

10 Reasons to Choose FKA for CompTIA CTT+ Certification Prep

1. FKA is a CompTIA CTT+ Authorized Partner.
2. FKA was first to market and is still the leader in training more CTT+ candidates than any other vendor.
3. FKA's learners have a 95% success rate in achieving CompTIA's CTT+ Classroom Trainer and CTT+ Virtual Classroom Trainer certification.
4. Learn from CompTIA CTT+ certified classroom and virtual instructors trained in CompTIA's performance-based exam scoring process.
5. FKA guarantees you'll pass the performance-based exam.
6. Get a free 30-day subscription to FKA's award winning CTT+ Essentials Exam Simulator.
7. The maximum enrollment of 8 participants allows more one-on-one time with your FKA instructor.
8. Get help with the documents and process for submitting your performance recording.
9. FKA is a cornerstone committee member of CTT+ and CompTIA Steering Council member.
10. FKA has been an expert in workplace instruction and certifying instructors for over 50 years.

Objectives

Upon successful completion of this three-day program, you will be able to:

- Demonstrate the CompTIA CTT+ objectives in your recorded lesson
- Answer a variety of multiple-choice questions like those on the CompTIA Essentials computer-based exam

You will have prepared:

- A "best effort" performance recording to submit for CompTIA CTT+ TK0-202 Classroom performance-based exam
- The necessary documentation/paperwork for the CompTIA CTT+ TK0-202 Classroom performance-based exam.

Agenda
